ABOUT GLOBUS GROUP

GLOBUS is a large Export house established in Khartoum, Sudan involved in export of agricultural commodities and has ensured continuity in the supply of quality products at competitive prices. We are mainly engaged in Export and Trading of all kinds of Oil Seeds & Pulses.

The company trades worldwide and replies promptly to any overseas inquiry. All activities relating to selecting, extracting and processing takes place in-house with the help of sophisticated equipment and machinery. Our processing facility is regularly improved and monitored to incorporate modification in the production process of various products. Besides, the process takes place under the supervision of experienced staff who work together to meet the individual and continuously changing needs of clients and market.

With Globalization of markets, role of international trade is on the increase. Trade facilitates meeting the aspiration and demand of consumer world over by making available commodities of different origin throughout the year at reasonable prices. Today by virtue of free movement of goods one can have access to goods produced in different parts of the world.

We are one of the fast growing companies in the field oil seeds & pulses exports from Sudan to Far East, South East Asia, Gulf & Indian sub-continent.

By having long experience & ventures dealing with overseas buyers/partners, we are very well versified with International market.

More to this, we also intend to make our local presence as its very important to have a local establishment in order to give our overseas partners best out of best service & timely deliveries as per the contracts.
